

MARYLAND WOODEN NICKELS

ADDENDUM 6

BY
JOE BURFORD

MD. TAMS R-241
IOWMC R2352

This is from Bob Brown collection. Some of the woods were mark for city's and county's in Maryland. I check what I could on the computer. If anybody knows what states they are from let me know. Also some woods are from other people collection.

This addendum is in five parts plus the index pages. The index is 1F to 4F. Part 1F is rounds and fists of people and places pages from 1F to 12F. Part 2F is clubs from pages 13F to 17F. Part 3F is YES = NO = MAYBE from pages 18F to 20F. Part 4F is missed from pages 21F to 22F. Part 5 is late people and places and clubs from 23F to 25F.

I would like to thank the following people for their help on this project.

Bill Ayres	Bob Brown	Edward Craig
John Koontz	Millard Hajek	Wally Stone
Ronald Ward	Bill Lenz	Jim Shipley
Terry Hess	Andy Bukerl	Paul Betschner
Doug Bowers Sr.	James Hayman	Dave Self
Robert Gabriel	William Seltz	Ernest Isaacohn
	David J. Bohaska	

There are over pages and 133 different woods. I hope that all of you enjoy using this addendum as much as I enjoy putting it together.

Books	Pages	Woods
Book 1	180	1446
Addendum	44	338
Addendum-2	25	95
Addendum-3	16	136
Addendum-4	41	122
Addendum-5	16	70
Addendum-6	34	133
Total	336	2340

Over the years a few woods are in the books twice. Some are misplace. It gets hard looking at each page and trying to remember. But it is fun doing it. Any new woods will be put in MARYLAND TAMS JOURNAL and BUNYAN'S CHIPS I have two more to do. 1 Maryland elongated coins. And 1 for Bonnie Blank Corn Husking Pennies.

MARYLAND WOODEN NICKELS

Designation of the wooden nickels in this book also the numbering system of each and the pages that you will find them on. Page 17

MARYLAND WOODEN NICKELS

PART 3F

? YES = NO = MAYBE ?

These woods came from Bob Brown collection. When I got them, they had Maryland location on them. If you know of any of these that are not Maryland let me know. And I will place them where they belong.

This part is made up of Maryland people, places and other woods that are related to Maryland. These woods are on 1 1/2" x 1/8" Rounds, 2" x 1/8" Rounds and Flats of all sizes.
